### **Welcome and Apologies**

The Staff Side Chair welcomed all to the meeting.

### **Pay 2021-22 – Dispute Meeting**

The Staff Side expressed their disappointment at the lack of offer in response to the EIS-FELA pay claim, given the Side Table (Lecturing) pay meeting was held on Thursday 18 August 2022, where the Management Side were requested to provide a response.

The Management Side responded that it was awaiting the UK Government Autumn Statement, which has been delayed and that the impact of the statement will need to be assessed before a formal pay offer. The Management Side reported there have been ongoing discussions with the Scottish Government on this matter.

The Management Side explained that there had also been further discussions with regards to the Governance Review of College Employers Scotland which would improve the Management Side decision making ability going forward.

Given the UK Government Autumn Statement is scheduled for Thursday 17 November, and to allow the impact to be assessed, the Management Side suggested the second dispute meeting be rescheduled for Thursday 24 November 2022.

The Staff Side requested a brief adjournment to consider the points raised.

### Adjournment

Following an adjournment, the Staff Side wished to clarify that this was not a negotiating meeting but a dispute meeting. However, the staff side agreed to move the next meeting to Thursday 24 November 2022 on the basis that a pay offer will be made on that date.

### **Date of Next Scheduled Meeting**

The next meeting is now scheduled to take place on **Thursday 24 November 2022** at 2pm online.
